

Lord Lucan

Lord Lucan

Banker turned
professional gambler

Deep in debt

Separated from
Lady Lucan

Lord and Lady Lucan

The background image shows the exterior of 'The Plumbers Arms' pub in London. The building is a multi-story structure with a mix of brick and white-painted stone. The pub's name is prominently displayed in gold lettering on a dark sign above the entrance. There are several windows with white frames and a balcony with a white balustrade. A street lamp is visible in the foreground.

7 November 1974

Lady Lucan

Ran into a pub at 9:45 pm

Bloodstained

“Help me, help me, help me, I have just escaped from being murdered”

7 November 1974

Her home

Nanny dead

Children upstairs
unharmmed and asleep

DNA

Fingerprints

Fibre Analysis

Poison

Blood

The crime scene

4 upper floors

Nothing happened

Ground floor

1 Bent, bloodstained lead pipe in hallway

2 Bloodstains at top of stairs

3 Door to basement was open

The crime scene

In the basement

1 Blood on walls and floor of breakfast room

2 Pool of blood

Man's footprint found

3 Nanny's body in a bloodstained sack

Lord Lucan on that day

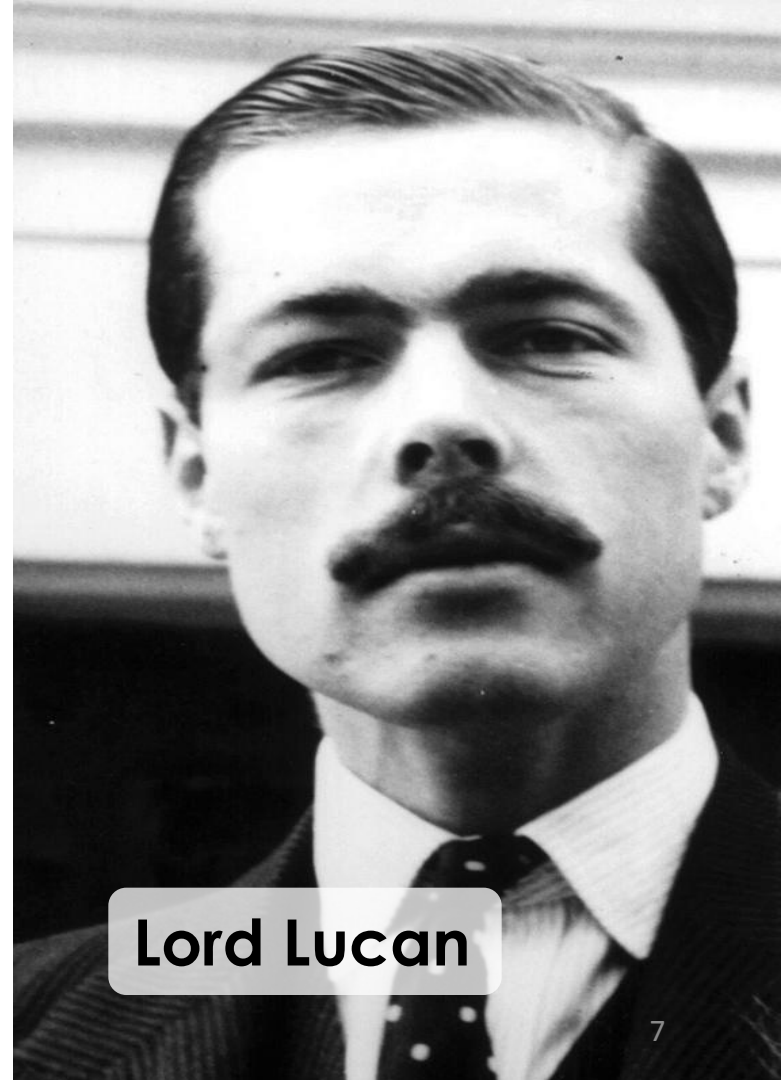

Visited friend 60 km outside
London at 11:30 PM

Wrote and posted letters

Left

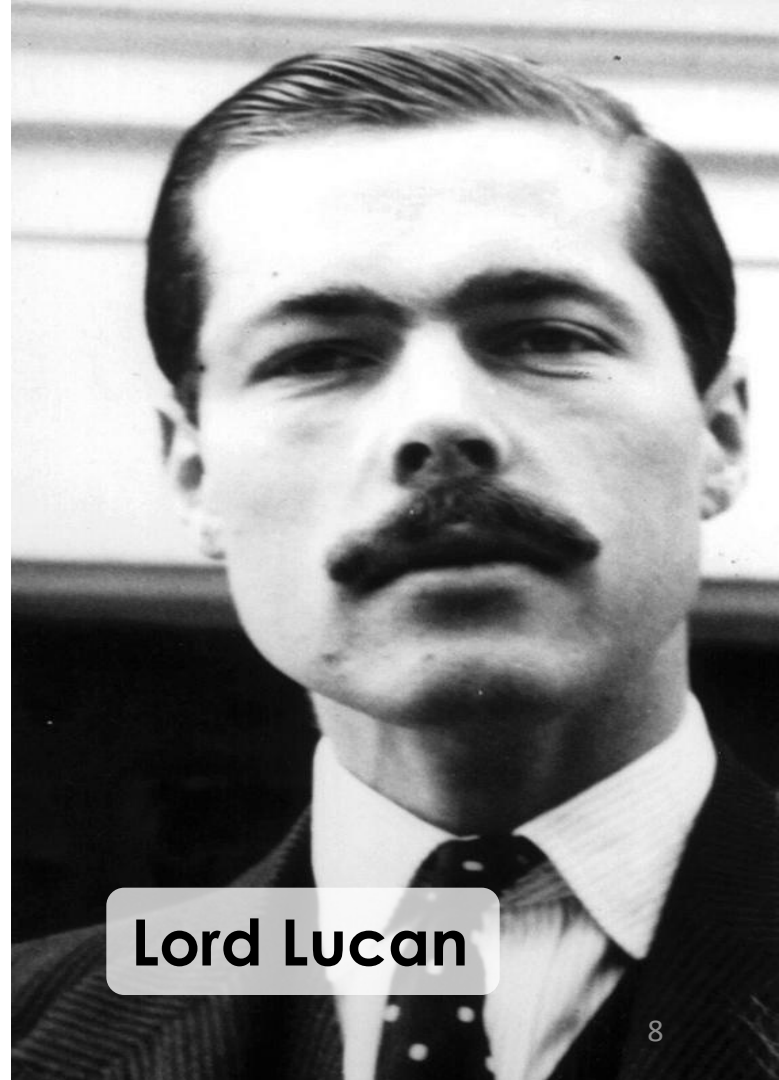

Lord Lucan

Lord Lucan

Car found by the
sea 3 days later

Never seen again

Lord Lucan

Lord Lucan's Story

Walking past
the house

Saw struggle
in **basement**

Attacker ran off & Lord Lucan
slipped in a pool of blood

Went in to help
Lady Lucan

Lady Lucan
ran away

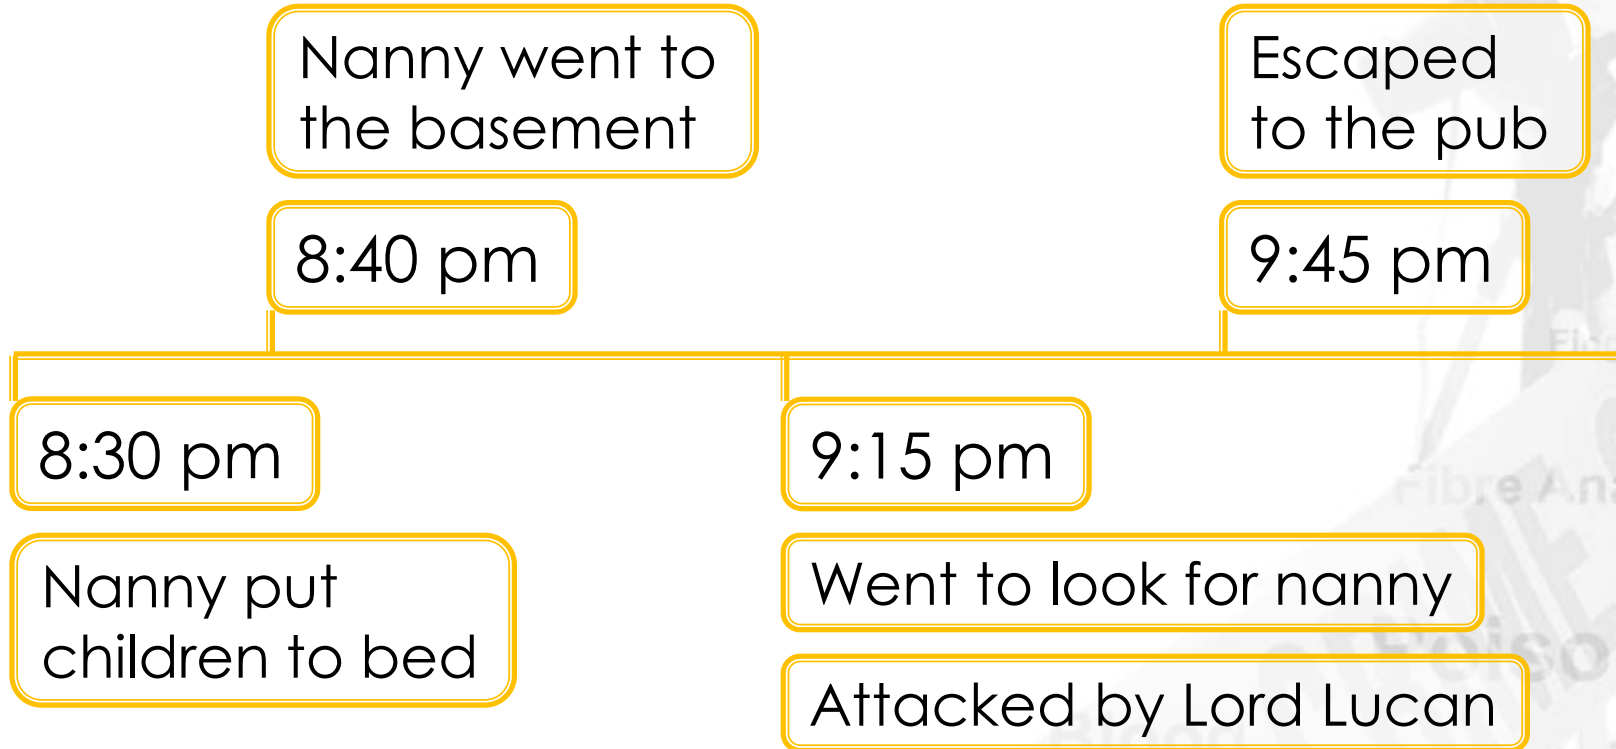

Fled

Feared he would
be blamed

Lady Lucan's Story

Forensic Evidence
